

A NEW, SIGNIFICANT AND MODERNIZED LOGO FOR M2S ELECTRONICS

Quebec, June 22, 2020 - M2S Electronics, global leader in the design and assembly of electromechanical & electronic integrated systems since 1981, unveils its new logo which strengthens and modernizes the brand image of the organization.

Progress, Control & Harmony are the values that have enabled M2S to become what it is today: a strong company that offers personalized and quality solutions that meet the highest standards in the industry.

M2S demonstrates its commitment toward its customers and partners to continue to make all the necessary efforts to keep their trust.

Today, we are presenting you with a new image that testifies to our DNA while reflecting our personality.

About M2S Electronics

M2S Electronics, member of Narvi Consortium, is a global leader in the design and assembly of electromechanical & electronic integrated systems.

Our Savoir Faire, particularly in the Transportation, Energy & Infrastructure, Buildings, Medical and Industrial industries, allows us to provide our clients with services based on two important words: Partnership and Added Value.
