M2S ELECTRONICS, **Press release**

Word from the CEO:

I want to thank all our customers and the company personnel who have all contributed to making 2015 a successful year.

Customer experience, our flagship project for the consolidation of the relationship with customers, employees and partners for future years, is not an empty word in M2S Electronics.

Count on me to ensure the mobilization of all living forces of our company, to optimize each year the experience that our customers, our employees and our partners live together.

I take this opportunity to wish you and your loved ones, a 2016 filled with health, happiness and success.

Mario Marcotte

About M2S Electronics

Since 1981, M2S Electronics is the partner of choice for OEMs, looking for value-added turnkey services and solutions in electronics. We are involved with our partners at all levels of custom made electronics. We offer 4 complete faculties under the same roof; R&D, Production Engineering, Local as well as International Assembly.

From the beginning, we distinguish ourselves for the quality of our processes and the strength of our management.
