M2S ELECTRONICS, **Press Release**

Word from the CEO:

M2S Electronics is about to begin its 35th year of existence. Among manufacturers of electronic systems integration, few can count on such a history. We will close our 2015-2016 financial year with an important sales growth, confirming our new strategic positioning, and thanks to the efforts of all our employees.

M2S Electronics is known for its good management tools and continuous improvement processes. With the help of all of our staff, we make sure to constantly develop our skills, our efficiency and our communications to satisfy all our external and internal customers, shareholders and suppliers by concern for our customer experience program.

Thank you all for this beautiful development. From this desire to constantly improve, M2S Electronics is paving the way for its success. We are happy to have you to celebrate our 35th anniversary in 2016. The planning of the events will be announced later.

Mario Marcotte

About M2S Electronics

Since 1981, M2S Electronics is the partner of choice for OEMs, looking for value-added turnkey services and solutions in electronics. We are involved with our partners at all levels of custom made electronics. We offer 4 complete faculties under the same roof; R&D, Production Engineering, Local as well as International Assembly.

From the beginning, we distinguish ourselves for the quality of our processes and the strength of our management.
