M2S ELECTRONICS, **Press Release**

Quebec Expertise and Savoir Faire in Medical Industry

For over 20 years, M2S Electronics is proud of its achievements in the medical sector. This is over 80,000 electronic controllers delivered per year that are intended for top-of-the-line medical beds. We thank our loyal customers for trusting us all these years. A fine example of Savoir Faire with you in important moments.

About M2S Electronics

Since 1981, M2S Electronics is the partner of choice for OEMs, looking for value-added turnkey services and solutions in electronics. We are involved with our partners at all levels of custom made electronics. We offer 4 complete faculties under the same roof; R&D, Production Engineering, Local as well as International Assembly.

From the beginning, we distinguish ourselves for the quality of our processes and the strength of our management.
