

Press Release

Quebec , March 1st, 2016 – Satisfied Customers

M2S Electronics wishes to thank all its customers who participated in the annual satisfaction survey.

M2S Electronics has a great concern for the customer experience and therefore the resultant of this survey and all comments are considered a major input to improve our performance.

We also have taken note of the desired improvements regarding lead times and manufacturing deadlines. M2S Electronics strives to continuously improve its services; the focus of the upcoming year will be into that.

In closing, a comment from one of our customer that reminds us why we are constantly working to improve ourselves: *« Based on our experience with M2S, your expertise and knowledge within your team is an asset that makes you a supplier of choice for other manufacturer »*

About M2S Electronics

Since 1981, M2S Electronics is the partner of choice for OEMs, looking for value-added turnkey services and solutions in electronics. We are involved with our partners at all levels of custom made electronics. We offer 4 complete faculties under the same roof; R&D, Production Engineering, Local as well as International Assembly.

From the beginning, we distinguish ourselves for the quality of our processes and the strength of our management.

You will find news and information at m2selectronics.com or by following us on Twitter @M2S_Medias.
