Exciting New Partnership

M2S Electronics is delighted to contribute to the success of TSO3, a reference in healthcare sterilization reprocessing (tso3.com).

By participating in the integration of electromechanical panels and manufacture of electronic circuit boards for new generation sterilizers, M2S reasserts its Savoir Faire in this industry.

You will find news and information at m2selectronics.com or by following us on Twitter [@M2S_Medias](https://twitter.com/M2S_Medias).
