M2S ELECTRONICS CONTINUES ITS EXPANSION, **Press release**

Quebec, October 28 2015 – M2S Electronics has set a new strategic plan of expansion and growth of its business. Always strong from knowledge of its industries segments such as: Railway Transportation, HVAC, Energy, Medical and many others, M2S Electronics has set the emphasis to ensure they have the resources to satisfy customers. The Savoir Faire in electronic of M2S allows its customers to benefit from considerable expertise services, products and turnkey solutions.

The year 2015 is a sign of this growth with 10 new customers since April, and the establishment of its customer experience program. M2S positions the customer first. The implementation of this strategic growth plan to bring to M2S a greater involvement of savoir faire and a presence in North America and Europe.

Our customers will benefit from this growth.

Welcome to M2S Electronics.

Mario Marcotte
CEO

About M2S Electronics

Since 1981, M2S Electronics is the partner of choice for OEMs, looking for value-added turnkey services and solutions in electronics. We are involved with our partners at all levels of custom made electronics. We offer 4 complete faculties under the same roof; R&D, Production Engineering, Local as well as International Assembly.

From the beginning, we distinguish ourselves for the quality of our processes and the strength of our management.
